

# VISION STATEMENT\_

## EDI STRATEGY STEERING COMMITTEE

At the Diana Award, who you are matters.

Our vision is a place where you feel valued and heard. Diversity and inclusion are not just ideals, but strengths that help us amplify the voices of those often unheard.

Our commitment is to acknowledge inequalities and create an environment that celebrates and respects the unique contributions, experiences, and backgrounds of everyone with work with.

Our mission is to transform our culture through challenging, holding ourselves accountable and supporting each other to grow.

Because by fostering equity and inclusion together, we *all* have the power to change the world.
